Corporate Challenge
Darts Tournament Rules

Rules not listed are governed by the Central Ohio Darters Rules and By-Laws.

1. General Rules

- A. A team consists of 8 participants (Men's/Women's Singles, Men's/Women's Doubles and Mixed Doubles).
- B. All matches will be CRICKET WITH POINTS.
- C. Best 2 out of 3 will constitute a match.
- D. Matches will be 25 minutes in length with a 5 minute break in between matches. The semi-finals, consolation and championship matches will have a 1 hour time limit.
- E. A coin toss will determine who throws the bull first. Closest to the bull's eye will determine the starting thrower.
- F. The thrower must mark their score before removing the darts from the dart board.
- G. Player(s) winning 2 out of the 3 games will automatically advance as the winner.
- H. Tie breaking criteria:
 - 1) Game 1 still in progress:
 - a. Player with more total closeouts.
 - b. Player with more total points.
 - c. A cumulative score after a 3 dart throw.
 - 2) If only 1 full game is completed, regardless of who is winning game 2, the winner of game 1 advances.
 - 3) 2 games completed (3rd game has NOT started)
 - a. Player(s) with more total closeouts from games 1 and 2.
 - b. If players are tied in closeouts, a cumulative score after a 3 dart throw will determine the winner.

- 4) 3rd game started (the first two games do not apply to the tie breaking criteria).
 - a. Player(s) with more total closeouts in game 3.
 - b. Player(s) with more total points in game 3.
 - c. If still tied after A & B, a cumulative score after a three dart throw will determine the winner.
- I. Forfeit/Scratches/Byes - a player(s) will be awarded the match (2 games) and 14 closeouts.
- J. Player(s) are responsible for scoring and reporting scores to the main scoring table.
- K. A score sheet must be completed and signed by both players.
- L. Team roster must be turned in before the start of the tournament.
- M. Once the match has started, no participant will be allowed to leave the throwing area.

2. YMCA Tournament Rules (Cricket: With Points)

- A. The object is to "close" numbers 15, 16, 17, 18, 19, 20 and bulls (cork) and to score more points than your opponent. The player which closes all numbers first and scores a greater or equal number of points is the winner. A team or player may win by closing all numbers if neither team has scored points.
- B. In order to "close" a number, a player or team must hit three of that number. For the purpose of closing and scoring, the double and triple rings shall count as 2 and 3 respectively of each number. The inner bull counts as 2 bulls.
- C. After closing a number, a team or player may score in that number until the opponent also closes it. When both sides have closed a number, no more scoring may occur in that number.
- D. All number scores are added to the previous balance.
- E. Each player shall take turns in throwing. (3 darts in succession constitutes a turn.)
- F. Numbers may be closed in any order.

The YMCA encourages a fun, friendly atmosphere; therefore, to limit distractions, please keep cheering to a minimum. Thank You.
